

The Particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or implementation thereof

1. Rural Electrification

Consultation is done with State Government representatives (Power/Energy Ministries) and other Ministries of Government of India

2. CEA

The National Electricity Policy has been evolved after extensive consultations with the States, other stake holders, the Central Electricity Authority and after considering the advice of the Central Electricity Regulatory Commission. This Policy is one of the key instruments for providing policy guidance to the Electricity Regulatory Commissions in discharge of their functions and to the Central Electricity Authority for preparation of the National Electricity Plan.

The tariff policy has been evolved in consultation with the State Governments and the Central Electricity Authority (CEA) and keeping in view the advice of the Central Electricity Regulatory Commission and suggestions of various stakeholders. Tariff Policy are to: (a) ensure availability of electricity to consumers at reasonable and competitive rate. (b) ensure financial viability of the sector and attract investments (c) promote transparency, consistency and predictability in regulatory approaches across jurisdiction and minimise perceptions of regulatory risks (d) promote competition, efficiency in operation and improvement in quality of supply.
