8. CMDs/MDs of Discoms of all State Governments
9. Chairman, State Electricity Boards

Subject: Model Bidding Documents (MBDs) for procurement of peaking power for medium term - reg.

Sir,

I am directed to state that the Ministry of Power had issued Model Bidding Documents for procurement of electricity for medium-term from Power Generating Stations set up and/or operated on Finance, Own and Operate (FOO) basis on January 29, 2014.

2. In the Inter-Ministerial Group (IMG) meeting held on 11.10.2013 under the chairmanship of Secretary (Power), it was decided that in line with the decisions taken for revision of Standard Bidding Documents for procurement of power for medium-term, similar exercise may also be undertaken for preparation of separate documents for procurement of peaking power for medium term by Ministry of Power. Accordingly, the draft Model Agreement for Procurement of Power (MAPP), including peaking power, for medium term procurement was prepared and circulated on 18.11.2013 for seeking comments of stakeholders and experts. Thereafter, to seek comments on the MAPP and to discuss the same, a meeting was held under the chairmanship of Secretary (Power) on 13.12.2013 with State Govts/Discoms, lenders, traders, APPs, CII, FICCI etc.
